

IMMIGRATION SUPPORT FOR FAMILY MEMBERS

Immigration support to the family members of the foreign employee requires careful assessment of each particular case. Ukrainian legislation requires a comprehensive list of the official documents, proving the relationship with the foreign citizen who works in Ukraine.

Our services include:

- Advise on the procedure based on the existing official documents

- Prepare full package of documents

- Executing translations and notarizations based on the reimbursement

- Arranging official payment, Power of Attorney and insurance based on the reimbursement

Submitting documents and obtaining Residence Permit
