

VISA SUPPORT

We help to get a visa for foreigners to Ukraine and for Ukrainians abroad. We specialize in matters of border crossing and different types of visas: tourist, business, working/national, transit, etc.

Our services include:

- Step by step procedure of visa obtaining

- Providing with the location and address where to apply

- Working hours of embassies, consulates, visa centers (the time in which application for visa can be done, if necessary appointment scheduling)

- List of required documents in accordance with the guidelines of embassies and consulates

- Visa application form (if provided by embassies in electronic version), help in filling in(if necessary)

- Accompanying to the embassy (if necessary)
