

RECOGNITION

MENNO ZANTEMA, «VANDERLANDE INDUSTRIES»

During our 2 years in Kiev, we have had the assistance of ABEA Relocation Services. The team helped us with our Home Search, Immigration Services and the paperwork for International Move Management.

They performed the work very professional and to our full satisfaction and we can recommend ABEA Relocation.

HORST WALTHER, RAIFFEISEN BANK AVAL

While my 1.5 years residence in Kiev/Ukraine I was working for the Raiffeisen Bank Aval. During this time I made use of complex expat services. I can full heartedly recommend ABEA as a provider for nearly all kinds of services for expatriates in the Ukraine. With no exception my experience was positive. ABEA not only met the usual expectations to standart services. What was of superior value for me was the extraordinary problem solving competency. Due to these rarely found skills ABEA found ways out from unforeseen and sometimes difficult situations.

CHRISTOPH SCHNELLMANN, SWISSPORT INTERNATIONAL LTD

I want to thank you and your team for your professional support during our stay in Kiev. In the past year and a half you've assisted my wife and me on numerous occasions with work permits, residency permits and visa invitations. On all occasions, ABEA always delivered exactly what was promised when it was promised.

Living in Kiev would have been much more difficult without your support.

MICHAEL BATZ, CEO, MAN TRUCK & BUS UKRAINE

We would like to express our great thanks to the complete team of ABEA in supporting us in the difficult situation of moving into an unknown country with a lot of country-specifics which are quite different to our home country. ABEA always managed to find a way even the time frame was pretty short. The way you did look and see trip was a substantial contribution for our decision to come to Kiev.

Besides the fact that everything worked really fine, we liked very much the warm-hearted atmosphere in working together with your team.

To make it short: We can really recommend ABEA relocation company.

MATHIEU LEVASSEUR, COUNTRY MANAGER, BEIERSDORF UKRAINE

It is my pleasure to recommend ABEA Relocation Ltd, a customer-focused team which support expatriate individuals and families in their relocation to Ukraine, as well as cultural and social orientation.

ABEA experts have been providing us consultancy in all aspects of current Ukrainian immigration legislation and helped in obtaining the employment permit, temporary residence permits, visas, dealing with local authorities, legalizing documents, etc. to ensure smooth and trouble-free move into Ukraine.

They proved to be highly professional, creative and solution-oriented team reacting to all our inquiries with speed, enthusiasm and care.

Thus, based on the above, I unreservedly recommend ABEA Relocation Ltd as a reliable, experienced and resourceful organization able to address any issues and challenges which may arise when you enter a new country.
